

36th Annual Lewis County Historical Bike Ride

Tired of being stuck inside? Want to do something fun, get some public service time under your belt?

On Saturday, May 12th, bike riders from around the state will converge on Lewis County to ride in the 36th Annual Lewis County Historical Bike Ride.

Volunteers are needed for the following tasks:

- SAG Vehicle Driver. You will need some way to carry a bicycle.
- Checkpoint Spotter. Good eyes and at least one spotter will need to be a ham operator.
- Net Control Operator. This can be done from home. The net will be on the Bawfaw repeater.
- Data Analyst. Fancy name for someone at home with a computer, internet access and a spreadsheet program like Excel.
- Mobile Packet Operator. Using RMS Express and Winlink.

Riders will be on the course from 7:00 AM to 5:00 PM. Some hams will start at 6:00 AM.

Volunteers are asked to work a minimum of four hours. For more information, please send an email to ac7sr@arrl.net with “**Bike Ride**” in the subject line.
