REGULAR MONTHLY MEETING-----Feb. 6th--7:30 p.m.

Cookies: Allen Ka7KTT and Whitaker KA7RNF

Program: The program will feature KA7NZC. Dianne will present an overview of the upgrade course that will start shortly. Any suggestions and special needs will be welcomed and given consideration. All those interested should plan to attend this meeting to find out what is in the mill.

UPGRADE CLASSES

Upgrade classes start Feb. 5th, Tuesday, 7 to 9 p.m. at the club house. The new ARRL License Manual, Handbook and Red Rule book will be used. We will start with an orientation class, "What do you expect to get out of amateur radio?" The class will be open for all classes of license who already hold any kind of HAM license. KA7NZC, Dianne, is the person in charge. Come and join the fun and maybe learn something new!

NEWSLETTER LABELS

Check your newsletter label for accuracy and let Dave N7DFV know if there are any needed corrections. The meaning of the code is as follows:

! = ARRL membership  
" = 1984 CVARS paid dues  
# = 1985 CVARS paid dues

Dits and Dahs

Anyone with special expertise who would like to tell others about it, please contact WB7ATP, your program chairman.

We are looking for a new CVARS news editor. Anyone who does not volunteer will be required to serve.

Marguerite's sister and her husband from Elma were over for a short visit.

Golden wedding anniversary

Monte and Frances Porter celebrated their golden wedding anniversary on Jan. 16th at the Lone Yew Grange, Toledo.

Winlock Backyard

Charlotte Osborn's watercolor paintings, "Winlock Backyard," are on view at the Lewis County Museum in Gallery IV until Feb. 28. There was a nice article and picture of Charlotte WA7UBK in the Jan. 23 Daily Chronicle.

The advantage age has over youth is that youth knows nothing about being old, whereas the old know all about being young.
