

CHEHALIS VALLEY AMATEUR RADIO SOCIETY NET

- QST, QST, this is (*name*)_____, (*call sign*)_____,
Net Control Operator for the Chehalis Valley Amateur Radio Society Net.

This net meets every Sunday at 2000 hours local time using the K7PG repeater on 145.43 MHz, with an alternate frequency of 146.46 MHz simplex.

This is a directed net; all stations checking in, please use your full call sign for recognition by Net Control.

We will handle QSTs and bulletins as a part of the roundtable.

You do not need to be a member of CVARS to check into the net.

- All stations, this is (*call sign*)_____ now calling for check-ins.

_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

- (*Recognize each station as they check-in.*)
- We will proceed with the roundtable starting with (*first call from the check-ins*).
- (*Complete the roundtable with all the above calls.*)
- Are there any other stations wishing to check-in? (*Add these check-ins to the list and call them for the roundtable.*)
- Are there any further comments? (*This may be repeated several times after pauses.*)
- Hearing no more, we will close this net at (*time*)_____ hours.
73 and thank you all for checking in. (*call sign*)_____ clear.
