Dec 2008 CVARS Meeting

The Christmas meeting-dinner was held on Dec 3rd. I think it was a success as we had over 15 families attending. Gifts were won and there was lots of food. New officers were introduced and set for the coming year. In the next newsletter I will give a list of the new officers. I, John WA7LFJ, was elected president. I will not make the January meeting as I have a conference in Seat-

tle for 3 days at that time. Doug will take over the meeting. Hopefully, this year we can expand the club with some new ideas and programs. Be sure to invite new people and old members to attend the meetings. Talk up the club as much as you can and I will try to make the club a place to go. Members are encouraged to input their ideas and past experiences to make the club better.

25th Anniversary

Congratulations to Jim KC7ASV and Stephanie KC7ASY on their 25th. Their daughter hosted a party for them on Jan 3rd at her house in Napavine. There were quite a few people at the party, many of them hams. I thought the party was very good as I had 2 pieces of cake.
